

Private Lessons - Fall 2026

The Southeastern Massachusetts Youth Orchestras (SEMAYO) are now offering private lessons to students that play violin, viola, cello, or upright bass. We are hoping that in the future we can open up lessons for winds and percussion students.

Families may pay in bulk up front for lessons for the semester **or** sign up for weekly payments. Students must give 24 hours notice when missing a lesson. Teachers are only required to make up **1** excused absence. Any additional absence or unexcused absence is not eligible for a make-up lesson.

Lessons meet as scheduled at UMass Dartmouth in the CVPA building (follow signs for Parking Lot 9, walk to the big concrete staircase and through the double doors at the top). Once registered, families will be connected to one of our teachers for scheduling.

SEMAYO's program runs from mid-September through May of the following year. Summer lessons are available and can be scheduled separately at the end of our season.
